## Notice of Aerial Spraying Sudbury Forest

As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands in the Sudbury Forest (see map) will be sprayed with herbicide to control competing vegetation, starting on or about September 8, 2009.

The herbicides Vantage Forestry, registration number PCP 26884 *Pest Control Products Act* and Release, registration number PCP 22093 *Pest Control Products Act* will be used.

More information about this aerial herbicide project, including specific locations and maps, is available for viewing at the offices of Vermilion Forest Management Company Ltd. and the Ministry of Natural Resources during normal business hours.
